After looking at various dates, the Board reached a consensus to move forward with reserving Kirkwood for March 14, 2018. Curtis will send the date to National for inclusion in the main event calendar and make the reservation with Kirkwood.  5 SCTE Cable-Tec Expo  Curtis was planning on using the Chapter's free pass this year since our Games winner was invited to participate in the International Games. Curtis told the Board that, due to his schedule, he would prefer to NOT go and would be happy to transfer his pass and hotel reservation to another Board member if they are interested. The Board was asked to reach out to Curtis if they want to take advantage of this.  6 Discuss succession planning for Board officers  Both President Dave Fyffe and Vice President Ron Grigsby are term limited at the end of this year.
